- cursive / joined up WITHOUT lead-in strekes (not available on Amazon; only ×. available to download from our store on TeachersPayTeachers.com)

Feature	Benefit
Multisensory - children are encouraged to say the letters aloud as they spell (auditory) and to join the letters (kinesthetic)	Learning spellings in a multisensory way gives children the best chance of remembering them. Multisensory methods are also widely accepted as being most effective for dyslexic children
Online games	Allow children to learn the spellings in a fun and multisensory way
Spelling rules explained at the top of each page (if there is a rule)	This helps children to apply the rule to other words too, not just to the specific words on the page
Pen lifts after each syllable	Breaking longer words into syllables helps children to spell them
Encouraging self-checking	Children checking their own work for errors makes them more likely to remember these and is less damaging for their self-esteen than adult correction
