(Special) (Special)Of joy: Master of joy often shortened mothers, it is a wizard only the land "complete" or "Half HP, the half forcean". Lvl.9 Barrel: rooms and lower cost of ap. Lvl.20 Master of Joy: Heals a% of your HP mother based on Merry's LVL, so it works better if you have high HP. Drinking from your barrel: If Pandawa is carrying his barrel to his turn, he will drink, exhausts a quart and adding 10 lvls of joy; To carry your barrel, you need to launch Karchamrak's ways in it. of worn out gain will be the same as the LVL. Here is a table showing the wear effects: lvl.: Debuff: LVL.20 None. This ability does not use APS, but uses a IWP, so use it with wisdom. (Active Support) BamboOZLE: BamboOZLE IS A SELF -ELENCO THAT THAT AFFECT A 3X3 EFFECT OREA, IN NOTE 9, ADDES 20 LVL.S OF JOY TO THE RIVER AND ITS ALLIGHTS, WHERE LVL.S dizziness in all enemies in the effect of effect. LVL.20 Milky Instinct: 20% chance of avoiding a hit. Some land pandaws use only this ability when at a party, this is another possible way to use it. Note that this wizard is limited to a cast by shift. Construction of PVP chrical barrel: similar to the above, this construction also includes a fire of the branch of fire, burp in flames. Lvl.9 Barrelhop: Combined with Karchamrak provides ZAP I WP Teleport, also helps stack Merry. Merry State adds 1% damage to no and adds APS and MPs when reaching certain "lids" of this state: LVL. , +1 lvl.40 +40% damage, +1 lvl.50 +50% damage, +1, +1 lvl.60 +60% damage, +2, +1 lvl.70 +70% damage, +2, +1 lvl.80 +80% damage, +2, +2 lvl.90 +90% damage, +2, +2 lvl.100 +100% damage, +2, +2 there are transactions To obtain the joyful state: (active support) Barrelhop: Barrelhop Spell can teleport the pandawa in any ctar around the barrel, except for them for the spell requiresFrom a vision to be launched, in no 9, it adds 10 lvls of joy by cast, note that this wizard is reformable during the same shift. Lvl.9 karchamrak: loading the barrel to 1ap help, you may also decrease the resistance of enemies and movan, so that you have some support. If combined with Karchamrak, this way will allow you to define the teleported barrel and take it again. Lvl.20 Backless barrel: finishing level. Retou Á © Liste des Classes Page 2 Returned Á © Liste Liste des View Source Introduction The Earth Pandawa The Construction of the Earth Pandawa is a tanned closed combat fighter with teleport skills, self Buffer and field manipulation. In LVL.20, the Master of Joy heals at 2% HP every time you reach 20 lvls. Statistics: Full HP, +495 by lvl.100. In addition, this is the ways used to carry your barrel. Complete tank: Tank construction depends mainly on survival and maintaining the multidoes/enemies occupied, it is a construction, it is really difficult to overthrow pandaws of this type. Earth's skills add some effects to Pandawa, depending on the LVL. Lvl.9 Bamboozle: It is really powerful, it can be used to increase its happy lvl vault. Let's say this Pandawa starts with 100hp, this is how it works: Merry LVL. Flaming Burp increases the cranetary rate of the launch, if used in a dizzy enemy, adding +1% to striking hits for every 3vl.s of dizziness, remember that your damage is a barrel of bash , use only Burp to stack charts. Lvl.9 karchamrak: Carry and play for 1ap, combination with barrenchp lvl.9 Bamboozle: It is really powerful, can be used to increase your happy lvl. +20% damage LVL.40 -1, -1, -40% damage +40% damage, +1 lvl.60 -1, -2, -60% damage +60% damage, +2, +1 LVL.80 Sleepy, -2, -2, -100% damage +100% damage, +2, +2 sodašAnal sodašAnal res medop kcalhwadnaP o e ymahaW olpirt o sanepa ,sošÀitief S sessed ,awadnap essalc ad seratnemele somar sÀArt sod osoredop siam o ©À arret ad omar O : arret ad omar yb HC %61+ ,rts 321 ,stih lactirC Cena thgnerts 05:05 001.lvl yb thgnerts 28+ ,%22+ ,stih lactirC lhuF 001.lvl yb 742 ,thgnerts lhuF :statS ,nrut a retfa tuO nrow 001 level ni trevoc yllacitamotua llw yrreM 001 level talv B-pohlierrab levitcA(,elitra eht fo egap klat eht ni ro stnemmc eht ni ksa ot eerf leef snoitseuq yna roF jCTU(2102 ,31 lirpA ,92:71 ledniL ,rohtuA ,nrut yreve %4 evah l'uoq ,yrreM 04.lvl ta neht ,nrut yreve fo gninnigeb eht ta delaeH PH 2 2 2 2 2 2 2 2 --- LVL.6 Barrel: rooms and lower cost of ap. In addition to damaging the allies, be careful to abuse it from 20lv.s a little, you can use it to stack very quickly and, as it now inflicts neutral -%resists. It means even more damage, be careful, not abusing it. The borders of the battlefield, of course you can not reach a target that is in a lower or higher position. 100. lvl.9 Barrenlhp: Must-Have in many buildings, the cost is really low (1wp 0ap) and the combination of Karchamrak to teleport, now cheerful and, as it is not limited to 1st /Turned, you can use to stack cheerful quickly if necessary. In no 9, it adds 10 lvls of joy by cast, note that this wizard is reformulated during the same shift. From Merry, Pandawa had when she stopped stacked him. of Merry reached. Statistics: 1ap, 22 striking hits, 10 initiative by LVL.100 1ap, 10 striking hits, 97 Fornght by LVL.100 1AP, 1MP, 16 LVL striking hits. PROS: Cons: High damage may seem very simple to start a predictable ruffled grinding in the Difupil PVP efficient tank to manage the Alegre State Solo -oriented Support Skills, less used in the joyful state from Patch 1.1.747, the Alegre state was a little changed, both in duration, ways to obtain and buffs, read this part with attention.
